Such a good student for me, Eevee.
Doing exactly as I say will give you pleasure beyond belief.

I'll offer you a deal I only propose to my most addicted, obedient students.
The ones who'd do anything for me.
Lets turn you back to normal first.

There we go.
Now. If you accept my deal, my spirit can be called upon to satisfy your needs, wherever you are.
I could have you like this whenever you desire. In exchange, I need your *soul.*

Think about it,
or don't~
Such a good boy.
Don't worry, you won't feel
any different.
Yes! Yes!
Take my soul!
I think my
little Eevee deserves
a reward,
doesn't he~?
